Politics and the English Language

2021-01-01 george orwell set out to make political writing into an art and to a wide extent this aim shaped the future of english literature his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism while 1984 and animal farm are amongst the most popular classic novels in the english language this new series of orwell s essays seeks to bring a wider selection of his writing on politics and literature to a new readership in politics and the english

language the second in the orwell s essays series orwell takes aim at the language used in politics which he says is designed to make lies sound truthful and murder respectable and to give an appearance of solidity to pure wind in an age where the language used in politics is constantly under the microscope orwell s politics and the english language is just as relevant today and gives the reader a vital understanding of the tactics at play a writer who can and must be rediscovered with every age irish times
