experience in this quintessential reference this classic and must have resource provides the most vital information needed by detectives and police investigators responsible for cases in violent and sudden death remember do it right the first time you only get one chance vernon j geberth m s m p s homicide and forensic consultant author of practical homicide investigation and series editor of the practical aspects of criminal and forensic investigations rudolf hess s flight to britain in may 1941 stands out as one of the most intriguing and bizarre episodes of the second world war in the truth about rudolf hess lord james douglas hamilton explodes many of the myths which still surround the affair he traces the developments which persuaded hess to undertake his flight without hitler s knowledge and show why he chose to approach the duke of hamilton in the process he throws new light on the importance of albrecht haushofer one time envoy to hitler and ribbentrop and personal advisor to hess who was eventually executed by the s s for his involvement in the german resistance movement drawing on british war cabinet papers and the author s unparalleled access to the hamilton archives and the haushofer letters the truth about rudolf hess takes the reader to the heart of the third reich combining adventure and intrigue with a scholarly historical approach this remarkable book is illustrated throughout with superb photographs placing the fascinating story in true historical perspective study more effectively and improve your performance at exam time with this comprehensive guide written to work hand in hand with criminal investigation 9th edition this user friendly guide includes a wide variety of learning tools to help you master the key concepts of the course on 10 may 1941 on a whim hitler s deputy rudolf hess flew a messerschmitt bf 110 to scotland in a bizarre effort to make peace with britain göring sent fighters to stop him but he was long gone imprisoned and tried at nuremberg he would die by his own hand in 1987 aged 93 that s the accepted explanation ever since conspiracy theories have swirled around the famous mission how strong were hess s connections with the british establishment including royalty was the death of the king s brother the duke of kent associated with the hess overture for peace in the many books written about hess one obvious line of enquiry has been overlooked until now an analysis of the flight itself the flight plan equipment data sheets navigation system through their long investigation authors john harris and richard wilbourn have come to a startling conclusion whilst the flight itself has been well recorded the target destination has remained hidden the implications are far reaching and lend credence to the theory that the british establishment has hidden the truth of the full extent of british nazi communications in part to spare the reputations of senior members of the royal family using original photography documentation and diagrams rudolf hess sheds light on one of the most intriguing stories of the second world war vol 7 9 11 14 19 include interpretations 1
